

GSB&L WEBINAR SERIES

Hosted by the Acting Dean and Head of the GSB&L,
Professor Ana Martins

THEME

IMPLEMENTING AGILE IN PRACTICE

SPEAKER: STUART NOLAND

Chief Executive Officer:
Nolands Capital

Has your organisation experienced unprecedented challenges over the past few months? Then, join Stuart Noland as he outlines the basic principles of agile; highlights the positive impact experienced through agile adoption; and showcases sprint boards and how to use them.

At the end of the session you will understand the agile manifesto and key principles; the SCRUM agile framework and the relevant components; as well as how SCRUM fits together and how to apply it in practice.
